MANZANILLA BEACH FACILITY TO REOPEN TO THE PUBLIC

The Ministry of Tourism, Culture and the Arts is pleased to announce that the Manzanilla Beach Facility will reopen to the public tomorrow (Thursday 6th April, 2023). The facility was closed during the Covid-19 pandemic and remained closed for repairs.

The reopening follows extensive refurbishment work that includes the installation of a new waste water treatment plant, repair and refurbishment of the lifeguard headquarters and booths, general and roof repair of the restaurant building, installation of a children's playpark and installation of an information booth.

Minister of Tourism, Culture and the Arts, Senator the Honourable Randall Mitchell toured the facility along with Member of Parliament for Cumuto/Manzanilla, Dr. Rai Ragbir, yesterday (Tuesday 4th April, 2023) and viewed the completed works.

Minister Mitchell says "I am satisfied with the improved space." He continues "the Ministry is happy to welcome visitors to the facility once more and just in time for the Easter vacation period. We wish to thank the Manzanilla community and the public for being patient during the temporary closure and invite all to enjoy the space responsibly."

Minister Mitchell adds "the Ministry will continue to improve the sites, attractions and facilities under our purview to facilitate memorable experiences for visitors to our spaces."

The Ministry of Tourism, Culture and the Arts urges members of the public to exercise due diligence when visiting our nation's beaches.
